Extracts relating to ~~Bench~~ recommendation for the Constitution of Bench Courts are herewith put up.

(1) It is seen therefrom that accommodation for the location of these Bench Courts can be had in all ~~place~~ Taluk or Sub Taluk Headquarters except at Pavagada and Kunigal where ~~rented~~ buildings are proposed to be rented at a monthly rent of Rs 5 & 6 respectively.

(2) As regards furniture he has not stated the cost that may be required but has included in the list sent with his letter of the 25th July 1944 articles required for the Bench Court also.

(3) For other Bench Courts viz Hassan, a sum of Rs 200/- for each Court has been sanctioned for furniture. The same may have to be proposed here. There is Rs 10/- and a contingent expenditure of Rs 2/- p.m. in each which also have to be sanctioned for these Courts as was done in the case of Hassan.

The cost will therefore be:

For 9 Courts for furniture at Rs 200/- for each Court - Rs 1800

For 9 Courts for peons & contingent charges at Rs 12/- for each Court - Rs 108/- p.m or 1296

Rent for the Courts at Pavagada and Kunigal - at Rs 9/- 108

Recurring Rs 1404

Recurring and non recurring Rs 1800 + 1404 = 3204

If the Courts are to be set to working from 1st Sept. 1926 the cost will be for 9 months.

Rs 1800 + 1053 = 2853

(6) It is a point for consideration whether this can be sanctioned now in view of the suggestion of the H. Court that sanction for new items of expenditure should be withheld for sometime to come. Further the D.M. has not sent names for appointment of magistrates for Tipkai and Kohepeze. Subd. asstt. addrst calling for the names. After its receipt the file maybe sent for orders.

9/8/26 (7) No action is perhaps needed in view of orders regd. that the separation scheme for Tuensang is to be run for two years.

(8) The Dt. Supdt. has not sent us the names of the Bench Courts. This may perhaps be called for. After the receipt of the reply, the question of the Cost of the Scheme may be considered.

for Contingencies and Rs 72/- for rents of two Bench Courts are required. There is then a balance of Rs 1224/-. This is insufficient to provide for pay at Rs 20/- each Court as in the case of Kerasan Scheme. So a lump sum of Rs 1200/- may be granted for this item as that is quite sufficient. Since many Bench Courts are created in Taluka Cutcheries - there is not enough ~~[illegible]~~ left for providing each Court with a Clerk and to the Clerks of the Taluka Officers have to attend to the Bench Court work. The G.O. introducing the Scheme into Dumka requires modification to that extent - Two orders may be approved -

In addition to these Special Magistrate's Court, Bench Courts are ordered to be opened in all the Taluk Head Quarters. There are 8 Taluks and 2 Sub Taluks in this District. Excluding the Bench Court now in existence at the District Head Quarters, 9 more Courts for the seven Taluks and 2 Sub Taluks are to be opened. Seven of the Amildars and one of the two Sub Divisional Officers, who were asked to propose suitablebuildings for the Bench Courts and send in lists of persons eligible to serve on the Bench have submitted their proposals along with the lists called for. The lists so far received are herewith forwarded for kind approval, and sanction may be accorded for the appointment of persons shown therein as Special Honorary Magistrates for a period of 2 years in the 1st instance. The lists of Magistrates for the remaining Taluks will be forwarded as soon as they are received.

The requirements for the formation of the Special Courts are:-

1. Buildings.
2. Furniture.
3. Establishment (clerical and Menial)
4. Stationery and Forms.
5. Books of reference.

With regard to the buildings, for locating the Courts, the Sub Divisional Officer, Maddagiri reports that the present Munsiff's Quarters are available for the purpose and both the Special Magistrate's Court and the Bench Court can be conveniently located therein. For the Special Magistrate's Court at Tiptur it is learnt that a portion of the building in which the Mysore Bank is now located is available and this can be rented out for the present. The two Special Courts at Tumkur may be located in the Amildar Magistrate's Court Hall and the portion of the Taluk

Office building now occupied by the Assistant Registrar of Co-operative Societies after effecting some slight necessary alterations suited for the purpose. The Bench Courts at Tiptur Chicknaikanhalli, Sira and Kortagere may be held either in the Court Halls of the respective Amildar Magistrates or in some convenient place in the Taluk Office buildings. As the accommodation in the Taluk Offices at Kunigal Pavagada, Turuvekere, and Gubbi is hardly sufficient for the Amildar's Office, I have thought of locating the Bench Court at Turvekere, for the present, in a portion of the Musaferkhana at the place and at Gubbi, in a portion of Sambhulingasetty's chattram, as the Amildar reports that this arrangement does not in any way inconvenience the travellers and will not involve any additional cost, as it is already under the control of the Revenue Department. I have myself seen this and consider it quite convenient and suitable for the purpose.

Copy of letter No.J.C. 659/23-24 dated 25th July 1924, from the District Magistrate, Tumkur to the Secretary to Government, Local and Legislative Departments.

In continuation of my letter No.J.C.659/23-24 dated the 21st instant, forwarding proposals, in the matter of the introduction of the separation scheme into this District, I have the honor to state that in a Meeting of Officers held this morning, the matter was fully discussed. As already proposed by me, it was decided that the Bench Courts at Tiptur, Chiknaikanhalli, Sira and Kortagere should be located in the Taluk Offices at the respective places, after effecting slight alterations to suit the purpose, and that at Gubbi in Sambhulinga Chetty's choultry, which involves no additional cost to Government. As the Taluk Office at Tiptur can provide accommodation for one Court only, a building for the location of the Special Magistrate's Court will have to be secured and it has been found not possible to get one at a monthly rent of less than Rs.25/-.

2. The Amildars of Pavagada and Kunigal, having represented that the present accommodation in their taluk offices being hardly sufficient for their use, it was resolved that rented buildings at these places, at a cheap rental of Rs.5 and 4 respectively should be secured for the present. Instead of the Musafirkhana at Turuvekere, it was found better to put up a partition wall in the big Court Hall and convert it into 2, the one being used by the Amildar and the other by the Bench Court. Though I had suggested in my last letter that the Munsiff's quarters at Maddagiri may be used for the location of both the Courts there, after discussion in the officers Meeting, it has been considered better to locate the Special Mgistrate's Court in a portion behind the present Munsiff's quarters, which, for some time was being used for the office of the Maddagiri Sub Division, and to locate the Bench Court in one of the old Lock-up cells, after attending to necessary alterations.
